☒ **Banana Slug String Band (BBSB)** Described as “the best ecological musicians on the planet!” and winner of the 2002 NPS Interpretive Excellence Award, the BBSB has several CDs that would make exceptional sales items . Some CDs focus on specific California environments such as ocean, coast, and estuary (**Slugs At Sea**) while others more generally focus on forests, reptiles, and other environmental themes (**Dirt Made My Lunch, Adventures on the Air Cycle, Penguin Parade, Singing in our Garden, and Dancing with the Earth**). One CD is in Spanish -**La Tierra y El Mar**. Visit their website <http://www.bananaslugstringband.com> for more information about other unique products.

☒ These CDs are highly recommended as interpretive sales items.

☒ Retail price: \$15.00 (Substantial wholesale discounts available)
